

What We Love About This Home

19370 Serpenteer Drive, Porter, TX 77365

A few of the details that made this house home — straight from the people who built and lived in it.

Thoughtful Upgrades

- Custom-designed, Tilson-built home
- New roof (2024)
- Built-in appliances replaced (2024)
- Many 36" interior doors throughout for accessibility
- Speaker wiring throughout the house, including the front and back porches
- Porcelain "wood-look" tile in the den, dining room, and office
- Heated towel bars in the primary bath
- Custom-built dog bath station

Outdoor Living, Built to Last

- Custom-designed cedar pergola with 2" thick cross members, built by a local company
- Electrical outlet on the back patio, ready for a water feature (120VAC) or spa (220VAC possible)
- Cross-fenced with multiple drive-through and walk-through gates

Outbuildings, Fully Equipped

- Greenhouse with power and water
- Storage shed/second barn with power
- Covered carport with 20-amp power

A Landscape Grown With Intention

- Mature native foliage providing privacy on three sides
- Mature shade trees, including two white oaks over 80 feet tall
- Three Basham's Party Pink crepe myrtles (heirloom variety)
- Mature Formosa, G.G. Gerbing, and George Taber azaleas
