JESSICA & MIKE S. | MERIDEN, CT

"John helped us buy our house via zoom from California- because we have unvaccinated children and we were purchasing during COVID, we were unable to travel to see the property, and so we bought it entirely off the strength of John's knowledge, plus zoom meetings and tours. He was trustworthy, thorough, honest, and an expert in his market - I would recommend him one million times and we will definitely use him for any future real estate purchases we make in Connecticut. We were so lucky to find him and you would be lucky to work with him, too."

ELEANOR F. | MERIDEN, CT

ANTHONY & DEBRA C. | WALLINGFORD, CT

"John was not only knowledgeable but so patient. It is easy to find a home when someone knows what they want and the budget to afford it. We went in all over the place. We were open to a ranch or cape or anything really. But we also knew we wanted a nice neighborhood with a basement and possibly a garage and maybe a pool. Needless to say, we were all over the place. John took us to all of the houses we asked to see. There were so many and in every style and neighborhood in town. We thought we might never find the right one, but John was always encouraging. We found the perfect house for us and could not be happier."

JAY & LISA B. | WALLINGFORD, CT
