¹Currently serviced Rocket Mortgage clients who finance a purchase loan with Rocket Mortgage may be eligible for a lender credit equal to 0.75% of the final loan amount, up to \$6,000. Clients who also use a Redfin real estate agent for their purchase transaction may be eligible for a lender credit equal to 1.50% of the final loan amount, up to \$10,000, depending on program requirements. Actual savings and eligibility vary based on transaction details and program requirements.

In lieu of lender-paid credits, clients may elect a 1-0 temporary buydown. All loans are subject to underwriting approval, and not all applicants will qualify. Loan terms, client, and property must meet applicable investor and program guidelines: the credit may be reduced per investor or regulatory guidelines. Offer valid only on retail loans with conforming loan limits. This offer may not be combined with any other discount or offer. Rocket Mortgage reserves the right to modify or cancel this offer at any time. Additional restrictions and conditions apply. This is not a commitment to lend.

Currently serviced Rocket Mortgage clients who buy and sell with a Redfin agent may also be eligible for a real estate commission discount equal to the lender-paid credit provided by Rocket Mortgage described above, which will be reflected as either a brokerage credit or a discount on Redfin's fee at the time of the second qualifying transaction. The second transaction, whether a purchase or sale, must close by December 31, 2026. If the client elected the 1-0 temporary buydown from Rocket Mortgage, the commission discount will be 0.75% of the loan amount, up to \$6,000. This discount is provided solely by Redfin and is subject to Redfin agent availability. Additional restrictions and conditions apply. This discount may not be combined with any other discount or offer. The discount may be reduced per investor or regulatory guidelines. Not available in all states. Redfin may modify or cancel this offer at any time. Rocket Mortgage and Redfin are affiliated companies and use of each is optional.
